24V AC/DC power supply

AC/DC power supply

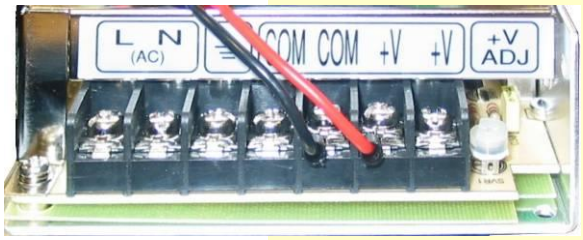
Sigma Power

Description :

► 24 VDC power supply, 2 x 100 W, to power 24V Sigma master clock or 24V Sigma Extens. The 24V impulse distribution capacity is increased to 4.5 A.

Technical Features:

► Input: 110-230VAC.
► Output: 24VDC.
► Max. current: 4.5 A x2
► Mains LED indicator.
► Dimensions: H44 x L483 x D200mm.
► Mounted into a 19” rack cabinet (not supplied)
► Operating temperature: 0 to +50°C.
► Weight: 2 Kg.



Applicable norms:

► NF EN 61000-3-2 : EMC Directive.
► NF EN 61000-3-3 : EMC Directive.
► 73/23/CEE/89/336 : Low voltage.
